PROGRAMS

AUTOMATED FUEL DELIVERY (AFD)

Eliminate the hassle of managing fuel levels. With AFD, your tank is monitored remotely, and deliveries are automatically scheduled — ensuring you always have fuel when you need it.

FLEXIBLE BILLING OPTIONS

DEFERRED BILLING:

Pay only for the fuel you use each month, based on tank monitoring — no upfront expense.

AVERAGE MONTHLY PRICING:

Smooth out market fluctuations with an averaged monthly price instead of daily rate changes.

BILL ON DELIVERY:

Pay at delivery, with pricing set either when the order is placed or upon delivery.

CONTRACTED FIXED PRICE:

Lock in your fuel price for a set term — a great tool for budgeting and risk management

TOTAL PROTECTION PROGRAM® (TPP)

- Protects new equipment up to 10 years / 10,000 hours
- Used equipment up to 8 years / 8,000 hours
- Warranty on lubricants & diesel fuels — extend life of your equipment
